April 18, 2014

The 239th regular meeting of the Board for Volunteer Firefighters and Reserve Officers was convened at 9:00 A.M. in Suite #207 in the James R. Larson Forum Building by Chair Jay Hughes, with Board Member Mark Watenpaugh, Board Member Miland Walling, Board Member Martin Spani, Board Member Brian VanCamp, Assistant Attorney General Tsering Kheyap, Actuarial Analyst Michael Harbour, Senior Actuary Lisa Won, and Executive Secretary Brigitte Smith present.

Secretary Smith asked that the Board rearrange the agenda so that the presentation by the Office of the State Actuary move to the front of the agenda, and the executive session move to the end of the New Business to accommodate the visitor's schedules. It was moved by Spani, seconded by Walling, and carried that the agenda be rearranged as requested.

The Board reviewed the January 17, 2014 Regular Meeting Minutes. It was moved by VanCamp, seconded by Watenpaugh, and carried that the minutes be approved.

FIRST HEARING OF THE PUBLIC

Actuarial Analyst Michael Harbour and Senior Actuary Lisa Won updated the Board on the Actuary's progress in reviewing the Service Purchase Factors. They discussed how the Actuary would develop the factors and what potential impact they could have on fees and the funding of the system. There was some question regarding whether the Board had the ability to set a minimum amount payable for the buy-backs so that the cost of the buy-backs would not be lower than the original fee plus statutory interest. The Board asked that AAG Tsering Kheyap look into the RCW's regarding their discretion to set the minimum and follow up with them at the June meeting. Both Mr. Harbour and Ms. Won left the meeting at the conclusion of the discussion.

OLD BUSINESS

Secretary Smith updated the Board of the status of the James Ballif case. She informed them that the staff has placed him on long term disability based on the recommendations of physicians.

Secretary Smith reviewed the proposed WAC for provider billing. AAG Tsering Kheyap finished her analysis of the draft, and all her comments, questions, and concerns were incorporated into a final draft. Ms. Smith will now work to schedule a hearing and submit the required CR-102 to publish the draft and fulfill the hearing requirement in the WAC process. Member Brian VanCamp expressed that he felt that developing WAC's has been good for the agency. He asked that Secretary Smith work with staff to compile a list of suggested WAC's and present them at the next Board meeting so the Board could have the ability to help review and prioritize them.

The Board discussed the 2014 Legislative Session. Secretary Smith informed them that, while there were some expected budget cuts, the cuts were not so significant that the staff couldn't manage them. She did inform the Board that there has been a lot of discussion regarding presumptive diseases. The Board discussed whether they should ask the Actuary to put together some tentative amounts. After much discussion, the Board requested that AAG Kheyap follow up with the LEOFF 2 Board to see how much covering presumptive diseases costs them each year. They requested that Secretary Smith follow up with the Commissioner's Association and see if they know which departments pay for the required screening for career staff members.

Secretary Smith will then research the costs of the screening physicals. The Board expressed a concern regarding the state's retention schedule for records. It could be important that records be maintained for longer periods of time with a presumptive disease clause.

Regarding the retention schedule, the Board discussed the importance of members maintaining their own response and training records. They asked Secretary Smith to coordinate with TJ Nedrow, President of the Washington State Firefighter's Association, to write a newsletter article stressing the importance of individual record-keeping.

NEW BUSINESS

Secretary Smith informed the Board that she was recently contacted by Assistant Audit Manager Jennifer L. Myers regarding an accountability audit. The State Auditor's Office is requesting to conduct an audit that would take approximately 180 hours. Secretary Smith informed Ms. Myers that, in addition to the regular audit, the BVFF would like to pay for additional hours and have a more-in-depth into payments due to the recent staff turn-overs, which are considered to place the agency at a higher risk of misappropriation. While the Board believes that there are no issues, and there are sufficient safeguards in place to protect the fund, it feels a review is prudent.

The Board reviewed a request to grant a waiver to allow Benton Co. FPD #1 to appoint the Finance Manager to the local board in place of the "other commissioner" as outlined in RCW 41.24.060. They have a three member Board of Commissioners and appointing two commissioners could create a conflict between the open public meetings act and privacy laws. It was moved by Watenpaugh, seconded by Spani, and carried that Benton Co. FPD #1 be granted the waiver as requested.

The Board discussed moving the June Board Meeting from the current date of June 20, 2014 to June 27, 2014 due to scheduling conflicts. It was moved by Walling, seconded by Spani, and carried that the meeting date be changed to June 27.

The Board reviewed Pension Participation Exemptions submitted since the last meeting. It was moved by Spani, seconded by Walling, and carried, that the following members be granted an exemption:

- Darren A. Lenz, Vashon Island Fire & Rescue, for the period of 1/30/14 through 4/24/14
- Vertta E. Johnson, Jefferson Co. FPD #4, for the period of 1/1/14 through 3/25/14

The Board reviewed Secretary Smith's leave and pay records.

The Board reviewed and approved (VanCamp moved, Spani seconded) the administrative expenditure vouchers numbered (00471 through 00518) and various travel vouchers.

There was a motion by Watenpaugh, seconded by Walling, and carried that the retirement pensions and lump-sum settlements listed below be approved effective on the listed dates (Chair Hughes excused himself from voting on Michael Quaschnick, Bohdon Sobczuk, and Richard Wells' retirements due to the potential conflict of interest. In addition, Member VanCamp excused himself from voting on Michael Bister's retirement due to the potential conflict of interest.:

The Board went into executive session at 10:26 am for approximately fifteen minutes to discuss litigation. The board reconvened at 10:38.

GOOD OF THE ORDER

The Washington Fire Chiefs asked that the Board appoint a member to sit on conference planning workgroup for the Washington Fire Chiefs. This group will discuss curriculum, speakers, and advertising for a conference regarding the integration of EMS into community healthcare programs. Member VanCamp volunteered to be the BVFF representative on the workgroup and said he would contact the WFC to let them know.

Secretary Smith updated the Board on the Oso Mudslide and the ways in which the staff is working with the local jurisdictions to try to make sure that all emergency responders within the BVFF purview are being taken care of.

SECOND HEARING OF THE PUBLIC

No public was present.

There was a motion by Walling, seconded by VanCamp, and carried that the meeting be adjourned at 10:45 am.

Brigette K. Smith, Executive Secretary
